Dear Mr. Wushart:

I am writing you in response to your recent letter, again concerning the Lehrer Sanitary Service landfill.

As was indicated to you on June 18, 1970 by Mr. Thomas G. Frangos, the Lehrer landfill was granted an extension of 90 days in which to comply with the Solid Waste Disposal Standards. This 90-day period will end on October 1, 1970. If after that date his site is not in compliance, appropriate legal action will be initiated by this Department.

I hope this will clear up this matter.

Very truly yours,
Bureau of Air Pollution Control and
Solid Waste Disposal
